Set Limits – know how much TV your child is watching.

- Set some basic rules, such as no TV or computer before homework or chores are done.
- Do not watch TV during mealtime.
- Use a timer. When the bell rings it's time to turn off the TV or eliminate TV time during the week.

### Tips from Redy

Help your child plan television viewing in advance.

- Keep books, magazines, and board games in the family room.
- Make a list of fun activities to do instead of being in front of a screen.
- Set family guidelines for age-appropriate shows.
