

LET'S GO! TAKES 5-2-1-0 TO SCHOOL

Promote Reading at Home

- Leave books in the family room, your child's room, and in the car to encourage them to read more
- Make an area in your home reading-friendly with a comfortable couch or chair and good source of light
- Visit your local library and consider going to events they host
- Read to your children, even after they can read on their own
- Build your own home library
