

SNACK PROGRAM

Here's how it works:

- If students are interested in purchasing a snack through the school, they can pay .50¢ in the cafeteria each day before 8:00 a.m., and then leave their name and classroom name.
- Snacks are then placed in a basket along with the names of students who purchased a snack. Just before snack time, a designated classroom helper will come to the kitchen and pick up the classroom's snack basket.
- All snacks are "user friendly," meaning that they are cut up, ready to eat, and come with the necessary utensils.

Why it's great:

- The school lunch program gets some revenue because the cost of snacks to the cafeteria is several cents less than what is charged.
- This program has been proven successful in grades K-5.
- It is a simple, effective way to ensure that the students are getting something healthy to eat and eases parents' anxiety around packing a healthy snack.
